6. An objection to the reliability of an expert's proposed testimony under Federal Rule of Evidence 702 shall be made by motion, specifically stating the basis for the objection and identifying the objectionable testimony, within **11 days** from the receipt of the written report of the expert's proposed testimony, or within **11 days** from the completion of the expert's deposition, if a deposition is taken, whichever is later.

Any replies shall be filed and served on all other parties not later than 14 days after the service of the response and shall be limited to 20 pages, but the Court need not wait for the reply before ruling on the motion.
9. The Court will set this case for final pretrial conference at a later time. The final pretrial conference shall be attended by at least one of the attorneys who will conduct the trial for each of the parties and by any unrepresented parties. The parties should consult Local Rule CV-16(e) regarding matters to be filed in advance of the final pretrial conference.
